

ECO-FRIENDLY DISPLAY: Energy, Green Technology and Water Minister Datuk Seri Peter Chin Fah Kui (second from right) shakes hand with the president of Green Purchasing Network Malaysia, Tan Sri Mustafa Mansur, at the International GreenTech and Eco Product Exhibition in Kuala Lumpur on Thursday. On the right is Datuk Nor Azmal Mohd Nazir, deputy secretary general of Green Technology. Green technology will play a crucial role in the new economic model as it will be one of the new growth engines to the country, says Chin.
